Yellow highlight indicates action items.

1. Meeting started at 9:07am.
2. Recognition Plaque Update
 Backer for the plaque will be completed in about 1 month. Discussion to establish a consistent format. AIS, RALALA and library will be asked to submit words for Ed Evans. Must be submitted by June 1. A committee will be established to make decisions on the plaques. A ceremony was suggested for plaque placement for Ed Evans.
3. The 2018 Crooked Lake Township AIS Committee Summary was reviewed. \$15,000 is allocated yearly by CLT.
4. Review AIS Survey & Treatment Expenditure Plan
 RALALA receive \$4800 for survey and treatment.
 Washburn did not apply for survey or treatment dollars.
Bob will do an update on the policy to disperse funding surveying and treating water by the June 15 meeting, with email sent out ahead of time. \$5,000 suggested to remain the same.
5. **Brainstorm 2019 Ideas for use of AIS balance of \$19,435**
 Check banner condition next meeting
 Children's t-shirts with coloring and iron-on Jan
 vinyl decals Ross
 ice box decals Gary will check with gas station and ice company
 pop socket Gary
6. **Discuss CLT/AIS Coasters for 2019...to be continued...**

7. Jan's Highway 6 article update send to committee

Discussion of the need to send more articles to Northland press and the Pine Cone this coming year.
Bring ideas for articles for papers next meeting.

8. Discuss "Open" sign for Decontamination Station. Continue next week.

9. Place banners on 3 trailers by May 9 Continue next week.

10. ZEMUS placement – Lawrence, Roosevelt & Washburn Lakes Continue next week.

11. John Ringle – Environmental Services Department Chief announces the appointment of Levy Bergstrom as new AIS Specialist in Environmental Services

Levy Bergstrom-Inspector hours for 2018: 1700 hours; 2019: 2000 hours; Decon hours for 2018: 550 hours; 2019: 550-600 hours

Scheduling will be sent out

A \$600.00 check from the county was presented for the maintenance of the decon unit in 2018.

27 inspectors have been hired with 20 returning. Goal is to hire 30.

Level 1 training will be this Friday.

Penmac is the new staffing facility.

CLT would like to have reports on the number of boats at the landings. Monthly update to CLT requested.

There will be option to use car counters at times.

Question regarding fishing contests...being aware of when contests are going to happen can be complicated. Over 25 registrations require informing DNR and Cass county

1% of boaters do not have their plugs pulled. This has been consistent over the last several years.

Water for minnows is not an issue as most fishman are using artificial bait, leeches or worms.

Kelly and Levy (?) is invited back on May 8th.

From Sept. 19, 2018 meeting minutes

Youth AIS event? Kids can come and do some hands on activities. Nicole Kovak (DNR Bemidji) Boat, dog sniffing and hands on activities for AIS. Jan will contact Nicole.

Clearwater meet and greet will be sponsored by RALALA. Add on AIS for kids.

Raffles (Lake Assoc.)

Thought to do an \$ off ice cream for attending. Bob will talk to Wayne and Amy Jorgensen's.

Coloring and jingle contest. Potential date....June 22. time 10:00-12:00.

Bob will distribute info to school.

Levy may be available to attend.

Adjourned Motion: Gary; Second Bob; pass

Respectfully submitted,
Jan Skjolsvik
